Fundraising Guidelines

We appreciate your interest in doing a fundraiser for our foundation! It is people like you who make us strong! The IRS is very strict about fundraising activities, so please follow these guidelines. Please take some time to read through this information and fill out the Fundraising Agreement on the last page.

- The Mowat-Wilson Syndrome Foundation cannot have a board member present at every fundraiser, but we will help in any way possible! Once you have a plan in place, we will help with print material, social media, etc.
- You will be responsible for all permits, insurance, and any other requirements for your event. Check with your local municipality, as well as any state regulations.
- Donations are tax deductible, as long as all of the required forms are submitted. 100% of the proceeds (minus fees, with receipts) must be mailed to the MWS Foundation, with the backup documentation. Any cash must be turned into a cashier's check or bank draft.
- Do not deposit any of the funds into your personal bank account. If you do, it is then considered personal, taxable income. You may open a temporary account in the name of the event. Keep accurate records of all money deposited in this account.
- Use a Donation-In-Kind form for any non-cash items provided for your event. In kind donations are items such as food, raffle prizes, etc.
- Complete a separate donation form for every donation received.

All donations, along with an overview of the event activities, should be mailed to:
